1. Oh Ted, thank you for coming here again and letting no hurt immobilize you ever again. Yesterday was of Me, today is of Me, you're walking tall and bigger yet—broader shouldered you will walk—and talk—with power to pull others into the revelation I have given you of My desire to dialogue with My children, My friends, and not one sided be—not no sided be with no relationship—but multifaceted relationship that embodies all of Me and all of My creation—all of what I have given and placed within each one.

2. You're on your way—you've grown, you've matured much and doors open—and hurts and misunderstandings and little acts of little people immobilize you never again.

3. Big, big, big. Be big, big, big—big in Me, big in Me, big in Me—concerned not for the words or actions that cannot permeate your armor—Me—in you and around you and permeating you—you in Me—Me in you—one—one, one.

4. Grown, mature and maturing—grown and growing, mature and maturing and maturing many and more and multitudes many—peripherally and direct—indirectly and directly—in person and not in person—but personified in Me, oh thank you.

5. Release the un-ready and welcome-Me-not, and focus on the ready—who welcome Me and revelation seek, spiritual maturity seek—allowing Me to be fully Me in them and through them. Oh so powerful, oh so expansively expanding their world, when they give Me theirs.

6. Oh what an exchange—beauty for ashes.
My big world for their little world.
Spiritual maturity for spiritual ignorance.
Strength, grace, honor, revelation for the seeking, the correctable, the self-righteous-not, the redeemable drink-offering-ed.

7. I love My creation. I love My men, My women, My ladies and gentlemen, My boys and girls and infants and adolescents—in Me and in every level and every age—
One, one, one in Me is My desire—My desire for all to know Me and be Me, in Me, with Me, and Me in them, and one be.

Oh powerful, oh creative, oh creating, oh arrogance-free, oh meek-able are graduate-able; the arrogant stop themselves.

8. Pierce the veil that holds so many back with your words and charts and pictures and graphs—of Me—My precepts, My revelation and PowerPoint and video and share creatively with them in My pictures of power—seeing themselves powerful, powerful, powerful as I intended—mature, taking authority over lack and not-Me, in meekness, surrendered, powerfully Me, looking to Me, from inside Me, through Me, to My big world,

My creation, valuing every one, valuing every person, valuing all of My words, and theirs, walking in integrity and righteousness of Me, Me, Me.

9. Oh expanded, expounded, explicated, but exhausted never, are My beginning precepts, to pull those ready into My realm with Me to ride on My trains, My jets, My wings, My creations, with Me, to My Mine—in honor, respect, meekness, and power—demonstrating Me and not just words—demonstrating Me, knowing Me, sharing Me, living Me.

10. Live Me Ted, live Me reader/hearer, live Me studier of My words through My servant. Study My servants and realize how human all My servants are—all My tall and strong—so human, so human, yet so loved so deeply by Me, and revealing Myself I am to you, to you, as much as you let Me. Seek Me, study Me, study My Word, and value My words to you. Grow, grow, allow yourself to grow and afraid of failure in another's eyes, be not. Be Me, be Me, meek, strong, weak without My Father—strong as one, as one, as one.

11. Now study to show yourself approved—a workman—a man, a woman, boy or girl, who need not be ashamed—all power is given to My Mine who will know Me and fight for the peace of My presence—standing up, living, humbling themselves, letting arrogance leave, and inviting correction of Me, Me, Me, who is now teaching My teachable.

12. Transition, transition, promotion.
For you, for you, for all who want Me.
Ready, ready, here I come.
Ready, ready, I am with you.
Beside you always.
In you ever—always—as you desire.
As you choose.

13. Please choose Me.
Please choose more.
More Me, Me, more.
All available to you, to you, to you and yours—
Now, today—ever waiting.

Embrace and powered be.
I thank you.
I thank you.
I thank you.
